Purposes

Essential **Enabled**

When browsing websites, data about you may be stored or accessed using cookies and similar technologies. Cookies are essential for the website's basic functionality and may serve other purposes as well. You have the choice to disable specific types of cookies, but this could affect your browsing experience. Important notice: To ensure basic website functionality, essential cookies are required. Please note that disabling essential cookies is not permitted. Thank you for your cooperation.

Cookie	Provider	Purpose	Expiry
PHP_SESSID	tekchoiceelectronics.com	The PHPSESSID cookie is native to PHP and allows websites to store serialised status data. On the website it is used to establish a user session and to pass state data through a temporary cookie, which is commonly known as a session cookie. These Cookies will only remain on your computer until you close your browser.	Session
PrestaShop-#	tekchoiceelectronics.com	This is a cookie used by Prestashop to store information and keep the user's session open. It stores information such as currency, language, customer ID, among other data necessary for the proper functioning of the shop.	480 hours
rc::a	Google	It is used to read and filter bot requests.	Persistent
rc::c	Google	It is used to read and filter bot requests.	Persistent

Personalized Advertising **Disabled**

These are cookies that collect information about the advertisements shown to users of the website. They can be anonymous, if they only collect information about the advertising spaces shown without identifying

the user, or personalised, if they collect personal information about the user of the shop by a third party, for the personalisation of these advertising spaces.
